

Showing Integrity in Different Ways

If you have integrity you are kind, honest, humble, and compassionate. As President John F. Kennedy said, "One person can make a difference, and every person should try."

I show integrity with my time, talent, and money. I use my talents to coach my sister and to help her be better at gymnastics. I use my time and money to make bracelets, and when I'm done, I sell them for money. The money I earn will be used for buying animal supplies that I donate to animal shelters. I will also use that money to donate to the Muncie Mission.

I donate money to the Muncie Mission because I feel bad that some of the people there are poor and some don't have a happy life. I like donating money to help them purchase more of the things they want. It's a benefit for both of us because I get to see them be happy and that makes me happy.

I am donating animal supplies because I love animals. It makes me feel so sad to see abandoned animals roaming around on streets with no food or water. I am also donating supplies because I want animal shelters to have enough food and water.

As Audrey Hepburn said, "For beautiful eyes, look for the good in others; for beautiful lips, speak only words of kindness; and for poise, walk with the knowledge that you are never alone." Try to be kind and try to make a difference in the world.
