

The Significance of Integrity

Clive Lewis once said, "Integrity is doing the right thing when no one is watching." Have you ever wondered how we can show integrity in our day to day life? Integrity is the quality of being honest, trustworthy, helpful, and having a great character! These are the values you refuse to compromise on, no matter what. Read the following paragraphs to find out what an amazing characteristic integrity is!!

Everyday, I show integrity by telling the truth and not lying. Also, I demonstrate integrity when I never cheat while taking tests in school or playing games with my friends. Whenever I am at someone's house, I always make sure not to touch or bother their belongings or things. That is how I express integrity in my life.

I can show even more integrity by being respectful and responsible at all times. In school, I can be more considerate by helping my classmates and teachers. Lastly, I will make an effort to be cooperative and friendly to everyone around me and will always keep my word.

In my opinion, integrity means to be true to yourself and to be honest. Having integrity means doing the right thing in a reliable way. I think that integrity shapes us into the person we all are destined to be. If we all show integrity in our lives, the world would be much better!
